

Homestead High School Parent Club Scoop

Good afternoon! You are receiving our second newsletter because during registration you indicated that your family would like to receive emails about Parent Club events, educational meetings, volunteer opportunities etc. Thank you for being a part of Homestead High School Parent Club. We look forward to seeing you at one of our meetings or events!

To volunteer, just visit the newly created Parent Club website below or click the link below for Sign-Up Genius Link:

Please visit our website to volunteer for our events, donate for staff appreciation, teacher grants etc. or find out about our events and meetings @ www.hhsparentclubfw.com

Parent Club Meetings- Second Meeting Thursday October 8th @ 11am

Our meetings are held on the second Thursday of each month at 11 am in the main building's community room (enter thru door #1). These meetings are educational and Mr. Ginder and/or other admin staff attend each meeting to answer any questions and discuss topics of interest.

At our second meeting Principal Park Ginder will be in attendance to discuss Demo Dreams for the Wall of Fame and the "Speak Up" survey. Bring your questions and concerns as he can also address any other questions or concerns your family might have.

Honor Roll Recognition

Each semester the Parent Club distributes Honor Roll certificates and cookies to those students who make honor roll. This recognition will take place during lunch periods on Tuesday, October 6th. Please visit sign up genius link below to assist us with distribution.

HHS Teacher Workroom Volunteer- Still in need of volunteers

Every year we assist the HHS staff by volunteering to work in the main building teacher workroom with various copying and laminating requests. Each school day we endeavor to have a parent in the workroom for one - three hours in the **morning** (depending on the requests for that day). You can volunteer on a regular basis, or be on a sub list for last minute help. Training is provided.

If you are interested, then go to the [sign-up genius link](#) for more specific information, or contact [Liz Auger](#).

If you like working on your own with a little direction and enjoy copying/organizing...then we would love to have you help out. The staff really appreciate the time it saves them and we help give back to the teachers.

Staff Appreciation

Parent Teacher Conferences will start on October 15. The Homestead staff will be working all day and into the evening to meet with parents. Since they won't have an opportunity to leave the school, the Parent Club Staff Appreciation Committee is planning a dinner for all staff members. **The Parent Club will provide them with pizza, but we could use your help with donations of fruit, vegetables, desserts and beverages** to accompany the meal! Please refer to the sign-up genius link below to see what we need!

####New this year is an option to make a monetary contribution to Staff Appreciation! This option has been added upon your suggestion for those families unable to donate specific items for our event but are willing to help out monetarily. You may reach this option via Sign Up Genius link below, at our web site at www.hhsparentclubfw.com or at

Thank you so much for your support!

If you have signed your child up for this first exam, please look for an email in the coming weeks with test day directions and test back directions. There are future spring dates. Please consider signing your student up for a SAT/ACT for practice exam. If you have questions re: SAT/ACT for Practice please email @ hhsppracticeexams@gmail.com More information is on our Parent Club website at www.hhsparentclubfw.com

Make the college admission officers drool.

Homestead High School & The Princeton Review of Indiana are offering SAT/ACT exams for **practice**.

Virtually all U.S. universities and colleges accept SAT or ACT exam scores.

These SAT/ACT entrance exam scores are pivotal components of the college applications.

- The SAT and the ACT exams are predictable and you can increase your scores through practice.

The SAT and the ACT do not test intelligence, and they do not necessarily reflect high school grades. However, they are used in the college admission process

- The Homestead High School Parent Club along with The Princeton Review instructors provide official SAT/ACT college entrance exams for students to **PRACTICE**, receive scores, tips on answering questions and review results for improving scores in **PREPARATION** for taking the "REAL" college entrance exams.

- We simulate the college entrance exam environment, provide professional proctors and score /review sessions.

We also provide take home exam packets for those students with IEPs, scheduling conflicts, or emergencies.

Which Exam fits your student's strengths?

"Practice means to perform, over and over again in the face of all obstacles, some act of vision, of faith, of desire.

Practice is a means of inviting the perfection desired."
~ Martha Graham

Coming events...

- Another event that is coming up is Staff Curriculum Grants. Each year, we use some of the money we get from dues and our Parent Club sponsored SAT/ACT for practice exams for Staff Curriculum Grants. These grants are issued before Christmas break. We typically spend \$7-12,000 on our grants. Multiple staff receive grants varying from \$200-2000. Again, you may contribute directly to the Staff Curriculum Grants by visiting our web site and clicking on the "Giving/Donations" tab @ www.hhsparentclubfw.com

Questions, comments, concerns etc. please email us @ hhsparentclubfw@gmail.com
